

Just because... poem

Just because I am a muslim

It doesn't mean I'm a terrorist.

I accept every religion and every human being,

I also want to be accepted.

Just because I am a muslim

It doesn't mean I have to wear a headscarf.

I do what I want

Even if I believe in God.

Just because I am a muslim

It doesn't mean Germany is not my homeland.

I was born in Germany, I speak the language

And I love potatoes..
