

Just because...

*Just because I have black hair doesn't mean
that I am an immigrant and can't speak German
very well. I have lived in Germany since I was born
and I went and still go to school here*

...

*Just because I have black hair doesn't mean
that I am lazy and get money from the state.
I work many times a week to earn my own money*

...

*Just because I have black hair doesn't mean
that I can't do my A- levels
because I am too stupid
for it
(because of my different nationality)*

*I have liked to go to school
since primary school days
and I like to learn for exams
and to do my homework,
in my opinion it's better than
working all day long*

...
