

**Just
because...**

**Just because I
live in Mettenhof
I am not poor
I don't pay
with the „Kiel card“**

**My parents don't get Hartz
IV
I can't only afford a 20 sqm flat**

**Just because I live in Mettenhof
I don't wear a fake Gucci outfit
There isn't a big leased Benz in my garage
I'm not listening to loud German rap music in public
I don't do drugs like weed**

**Just because I live in Mettenhof
I'm not talking with you as if you were my „bro“
I don't have difficulties with the German grammar and spelling
I don't attend a secondary school**

**Just because I live in Mettenhof
I don't have to worry going home alone
I don't have foreign neighbours only
I am not a racist towards German people**
