### Just because I'm a girl with blonde hair

Just because I'm a girl with blonde hair,  
I'm not stupid,  
sometimes I exploit these clichés  
to get what I want,  
but I'm not a dumb blonde

Just because I'm a girl with blonde hair,  
it doesn't mean that these jokes are true,  
a girl with blonde hair can't get a headache?  
Because no brain, no pain  
Do you really think that's funny?  
If you do, then I'm not the problem

Just because I'm a girl with blonde hair,  
I don't like being called „Blondie“  
I don't call you „jerk“ either,  
If you still do it,  
I think you're really incompetent

And that's just...  
Because I'm a girl with blonde hair
