

## Just because ...

Just because I`m a girl

I don`t have to put on makeup

I like myself the way I am

I don`t have to show my beauty to other people  
because real beauty is inside of us.

Just because I`m a girl

I don`t need a lot of time to shop.

I generally do not like to shop

and I am definitely not familiar with brands of  
certain clothing,

parfums or makeup

Just because I`m a girl

calls do not have to take hours.

It is not the case with me that I am only walking  
around with my cell phone

I am often not in the mood to make calls

And I am pretty sure that I am not the only one

..... am I?!
