

Just because I'm a girl

Just because I'm a girl  
doesn't mean that  
I am defenseless  
I don't need a man  
who protects me

Just because I'm a girl  
doesn't mean that  
I can't drive  
I don't need a  
bigger parking area

Just because I'm a girl  
doesn't mean that  
I am fragile  
I can take a lot  
and don't cry  
about everything

Just because I'm a girl  
doesn't mean  
that I'm only mad  
when I have my period  
I can be mad, sad or  
depressed for every  
other reason
