

Class 11

Just because...

Just because I´m thin
doesn´t mean that I don´t eat
or that I don´t like to eat too much.
My favourite food is fast food
like burgers and french fries

Just because I´m thin
I don´t have an eating disorder
or I try to lose weight
and
I don´t weigh myself on the scales
every day.

Just because I´m thin
I´m not pleased with my figure
and don´t do anything for myself.
I do everything I´m in the mood for.
